# WHAT IS POLYFARM?

PolyFarm represents a community-centric decentralized application (dApp) that operates within the Polygon network. This platform is distinguished by its high performance, enhanced security measures, minimal transaction fees, clear transparency, and an intuitive user interface, all of which contribute to a seamless experience for its users.

At its core, PolyFarm enables participants to engage with Decentralized Finance (DeFi), offering them the opportunity to generate a reasonable daily return of 2%. Moreover, it imposes a maximum Return on Investment (ROI) of 250%, ensuring a balanced and sustainable growth model for its users.

## 1. Install Trust Wallet:

- Download and install the Trust Wallet app or extension from the official app stores.

## 2. Create or Set Up Your Wallet:

- Open Trust Wallet and either set up a new account or log in if you already have one.

## 3. Fund Your Wallet with Matic (Polygon):

- Navigate to the "Manage Assets" tab and select "Add Asset".
- Search for "MATIC" and follow the prompts to add it, then fund your wallet.

## 4. Obtain the Registration Link:

- Contact your upline to obtain the registration link for PolyFarm.

## 5. Access PolyFarm via Trust Wallet:

- In Trust Wallet, go to the "Discover" tab.
- Paste the registration link into the search bar and press enter to open the PolyFarm dApp.

## 6. Switch to the Polygon Network:

- Once the PolyFarm dApp is loaded, locate the settings icon (usually represented by three dots or a gear icon).
- Select the option to switch the network from Ethereum to Polygon (Matic).

## 7. Refresh the Page:

- After switching the network, refresh the page to ensure the dApp recognizes the correct network.

## 8. Enter Farming Details:

- On the PolyFarm interface, input the amount of MATIC tokens you wish to farm according to the platform's guidelines.

**BY FOLLOWING THESE STEPS, YOU SHOULD BE ABLE TO SUCCESSFULLY NAVIGATE THE SETUP AND USAGE OF POLYFARM THROUGH THE TRUST WALLET, LEVERAGING THE POLYGON NETWORK FOR EFFICIENT AND SECURE TRANSACTIONS.**
